HEALTHY SMILES ADVANTAGE

"Helping make dental health care affordable for the entire family"

The **Healthy Smiles Advantage** (HSA) plan is exclusively offered through Browder & Browder Family Dentistry and provides routine dental care (cleanings, exams, radiographs) at 100% coverage and also offers a 20% discount for all other dental services rendered by either Dr. Browder and their associates and staff. It is understood that enrollment requires a one-year commitment after which it can be cancelled with a 30-day written notification to Dr. Browder's office. HSA only covers routine dental visits. If periodontal disease requires more extensive preventive care, this will be discussed with the patient and alternative financial arrangements will be made available. The 20% discount is only applicable when payment is made at the time services are rendered.
